

January 3, 2018

Dear Potential Participant,

Laurel Main Street is now accepting teams for the Seventh Annual Magnolia State Bank Chili Cook Off. This event grows, gets better each year and remains one of our favorites!

We are maintaining our two categories, including the \$1,000 prize for homestyle chili in addition to the \$1,000 for traditional chili. The winner in the traditional category will have the traveling red chili pepper trophy and bragging rights for the year! And the winner in the homestyle category will take home the chili pot traveling trophy plus bragging rights for a year as well! There are prizes for most spirit and the popular people's choice!

Participation in the Chili Cook Off helps us at Laurel Main Street continue our mission of historic preservation and economic revitalization of Historic Downtown Laurel. We have had a banner year of progress, but we want to make this coming year better than the last. So, put your team together and join the movement that is creating Mississippi's Downtown Laurel!

Sincerely,

Judi Holifield, Executive Director

2018 Laurel Main Street Board of Directors
