

February 20, 2018

Dear Exhibitor,

The Fifth Annual **Touch A Truck** Event is just around the corner! We have had four amazing years in a row and we can't wait to be a part of all its loud, energetic horsepower-filled glory once again. It's a time to showcase vehicles that are tough and tactical, fun and flashy and represent our heroes and helpers. We really view this event as a wonderful way to build community and to show kids the people and machines that work hard so they don't have to! We need your help to do it.

We need trucks, ATV's, etc. (branded for fun or sport), cars, boats, emergency vehicles and rigs of every shape and size. That sense of wonder and respect that lights up a child's face when they see something incredible will make your day and make you proud of the work you do, too.

If you are interested in helping Laurel Main Street show the families of our area how to get the hard work done, please take a look at the forms and guidelines enclosed and the **Touch A Truck** event section on our website, www.laurelmainstreet.com

Sincerely,

Judi Holifield, Executive Director

2018 Laurel Main Street Board of Directors
