

DOWNTOWN CRAWFEST 4th Saturday *in* April

The power of partnership can transform lives, it is with this thought in mind that we are pleased to announce The Sertoma Club of Laurel and Laurel Main Street's co-hosting of the first downtown crawfish cook off on the fourth Saturday in April (April 27, 2019) in the area of Front Street. As a community, we are dedicated to the transformation of Laurel as a great place for life and business.

SERTOMA is an acronym meaning SERVICE TO MANKIND! The main goal of The Sertoma Club of Laurel is to help people with speech and hearing disabilities. Monies are raised to fund speech therapy, hearing aids, hearing accessories or devices thus improving the quality of life for those at risk or impacted by hearing loss or speech impairments.

The purpose of Laurel Main Street is to establish a vibrant commercial district around downtown, enhance our community and heritage, foster a center of activity and ensure economic stability for the heart of Laurel, Mississippi through concentrated efforts of design, promotion, organization and economic revitalization. We want to improve streetscapes, lighting and facades with monies raised.

Sponsorships allow for the production of high quality events and the ability to promote these events to a wide and varied audience. Community Bank is committed as the signature sponsorship for this particular first time event. Every sponsorship serves as an additional re-investment in the community!

Information is enclosed for sponsorship opportunities as well as application, rules and regulations to become or recruit a cook off participating team.

We hope to see you there!

Sandy Meador, Sertoma Club of Laurel, President and Lew Yoder, Laurel Main Street, President

Please remit payment to: Laurel Main Street, P. O. Box 1256, Laurel, MS 39440 | Deadline: April 15, 2019 | For more information: Event Chair, Lee Bounds 601.319.5785
